

# At the Magic Laundromat

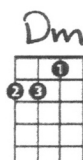

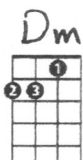

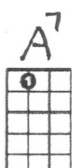

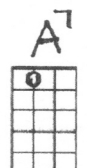

(Jim and Liz Belloff)

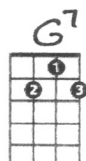

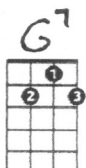

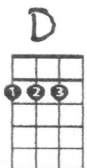

Anything can happen at the magic laundro - mat

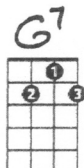

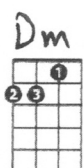

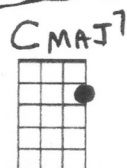

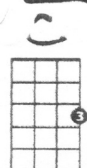

Where you wash your laundry plus a little this and that

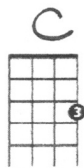

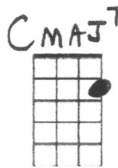

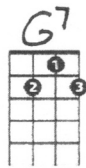

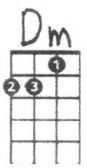

Bring your weary blues in, any day or night

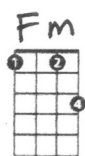

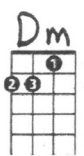

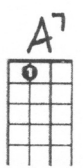

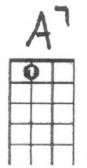

Twenty minutes later all your blues are bright.

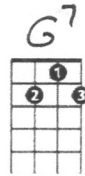

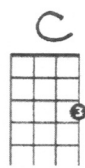

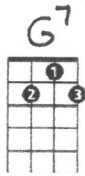

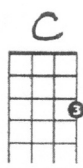

Anything can happen when the world is spinning 'round

Dreams you left in pockets are mysteriously found.

Abra ca dabra, you're not where you were at

When you walked in to the magic laundro - mat.
