You Were Only Fooling
While I Was Falling In Love

Words & Music by Billy Faber, Fred Meadows & Larry Fotine Recorded by Kay Starr, 1948

```
G                Bm
You were only fooling,

      C                   G
While I was falling in love.

       D7       Am7   Bm7      E7
It's a story as old as Adam and Eve --

A7                                        D
I was making love while you were making believe.

G                        Bm7
You lied to me with kisses

     C                             G
I've tried to stop dreaming of,

     Am7       D7     G           Em
But you were only fool - ing  me

      A7   D7                 G
While I was falling in love.
