

Rainbow Connection

Why are there so many Songs about rainbows And what's on the other side

Rainbows are visions but only illusions And rainbows have nothing to hide

So we've been told and some choose to believe it

I know they're wrong wait and see

Someday we'll find it the rainbow connection

The lovers the dreamers and me

Who said that every wish would be heard and answered

when wished on the morning star

Somebody thought of that And someone believed it

And look what it's done so far

What's so amazing that keeps us stargazing And what do we think we might see

Someday we'll find it the rainbow connection

The lovers the dreamers and me

All of us under its spell

We know that it's probably ma---gic

Have you been half asleep

and have you heard voices

I've heard them calling my name

Is this the sweet sound that calls the young sailors

The voice might be one and the same

It's something that I'm supposed to be
