Verse 1
```
        Am                    G6
On the first part of the journey
        Am                 G6
I was looking at all the life
           Am                    G6
There were plants and birds and rocks and things
             Am                 G6
There were sand and hills and rings
       Am                    G6
The first thing I met was a fly with a buzz
           Am             G6
And the sky with no clouds
       Am                      G6
The heat was hot and the ground was dry
            Am               G6
But the air was full of sound
```

Chorus
```
     Am                          G
I've been through the desert on a horse with no name
        Am                    G
It felt good to be out of the rain
        Am                    G
In the desert you can remember your name
               Am                 G
'Cause there ain't no one for to give you no pain
```

Am   G
La, la, la lala la la la, la, la
Am   G
La, la, la lala la la la, la, la

Verse 2
       Am   G6
After two days in the desert sun
       Am   G6
My skin began to turn red
        Am   G6
After three days in the desert fun
        Am   G6
I was looking at a river bed
          Am   G6
And the story it told of a river that flowed
            Am   G6
Made me sad to think it was dead

Chorus
              Am   G
You see I've been through the desert on a horse with no name
        Am   G
It felt good to be out of the rain
        Am   G
In the desert you can remember your name
          Am   G
'Cause there ain't no one for to give you no pain
     Am   G
La, la, la lala la la la, la, la
        Am   G
La, la, la lala la la la, la, la

Verse 3
       Am   G6
After nine days I let the horse run free
            Am   G6
'Cause the desert had turned to sea

```
        Am                      G6
There were plants and birds and rocks and things
            Am                  G6
There were sand and hills and rings
      Am                      G6
The ocean is a desert with its life underground
          Am            G6
And a perfect disguise above
            Am        G6
Under the cities lies a heart made of ground
          Am                  G6
But the humans will give no love

Chorus
              Am                              G
You see, I've been through the desert on a horse with no name
        Am                    G
It felt good to be out of the rain
          Am              G
In the desert you can remember your name
          Am                    G
'Cause there ain't no one for to give you no pain
      Am      G
La, la, la lala la la la, la, la
Am        G
La, la, la lala la la la, la, la
Am          G
La, la, la lala la la la, la, la
Am          G
La, la, la lala la la la, la, la
Am          G
La, la, la lala la la la, la, la
Am          G
La, la, la lala la la la, la, la
Am          G
La, la, la lala la la la, la, la
Am          G
La, la, la lala la la la, la, la
