

# Fly Me To The Moon in Am

Key of Am

Frank Sinatra

Am                    Dm                    G7                    Cmaj7  
 Fly me to the moon, let me play among the stars,  
 F                    Dm                    E7                    Am A7  
 Let me see what spring is like on Jupiter and Mars,

Dm                    G7                    C                    Am  
 In other words, hold my hand!  
 Dm                    G7                    C                    E7  
 In other words, baby kiss me!

Am                    Dm                    G7                    Cmaj7  
 Fill my heart with song, and let me sing forever more  
 F                    Dm                    E7                    Am A7  
 you are all I long for all I worship and adore

Dm                    G7                    C                    Am  
 In other words, please be true!  
 Dm                    G7                    C  
 In other words I love you

Am Dm G7 Cmaj7 F Dm E7 Am Dm G7 Em A7 Dm G7 C

Am                    Dm                    G7                    Cmaj7  
 Fill my heart with song, and let me sing forever more

F                    Dm                    E7                    Am A7  
you are all I long for all I worship and adore

Dm                    G7                    C    Am  
In other words, please be true!

Dm                    G7  
In other words

Dm                    G G7    C  
In other words I love you!
